Dear Sir

REQUEST FOR EXTENSION OF TIME NOTICE IN TERMS OF RULE 3.3.

Reference is made to the notice that was delivered to me on the 08 February 2019 at my residence by your messenger. I acknowledged receipt of the document and had to refer it to my legal adviser. I have been advised that I should respond to the document with my affidavit in terms of clause 6 of your letter. I had to source services of a legal representative after being advised as such.

I am still busy with the affidavit compilation with my legal representative which will not be ready for submission within fourteen (14) calendar days of the notice. I therefore request an extension of time to submit on or before the 28 February 2019 before close of business.

I therefore appeal for your consideration of my request to be considered as I have an obligation to respond to the notice.

Sincerely
