IN THE COMMISSION OF INQUIRY INTO ALLEGATIONS OF STATE CAPTURE, CORRUPTION AND FRAUD IN THE PUBLIC SECTOR INCLUDING ORGANS OF STATE ("THE COMMISSION")

AN INVESTIGATION INTO THE SOUTH AFRICAN BROADCASTING CORPORATION

SWORN AFFIDAVIT

I, the undersigned,

YOLANDE VAN BILJON

hereby declare under oath as follows:

1. I am an adult female South African citizen currently employed as the Chief Financial Officer ("CFO") of the South African Broadcasting Corporation ("SABC").

2. The content of this affidavit is true and correct and falls within my own personal knowledge, unless the contrary clearly appears from the context or is otherwise stated.

3. I have been approached by investigators associated to the Commission of Inquiry into Allegations of State Capture, Fraud and Corruption in the Public Sector and certain Organs of State ("the Commission") and have been requested to provide an affidavit as to my knowledge as to certain affairs which took place within the South African Broadcasting Corporation ("SABC") and at the height of what has now become known as State Capture.

4. I have agreed to provide this affidavit as well as evidence to the Commission

freely and voluntarily.

5. I was appointed at the SABC as CFO on 25 June 2018. Much of what transpired is historical and prior to my tenure as the CFO, however, by virtue of my position I am able to access the relevant books and records of the SABC and therefore able to determine the facts and/or the origin of documents as will be set out hereunder.

6. The questions I have been posed relate to the following transactions:

6.1 Transactions with Infinity Media Networks (Pty) Ltd;

6.2 Transactions relating to TNA Media (Pty) Ltd; and

6.3 Transactions with other commercial clients.

7. **INFINITY MEDIA NETWORKS (PTY) LTD**

7.1 All relationships with the SABC and Infinity Media Networks (Pty) Ltd ("Infinity") as far as I can determine relate to the sale and purchase of news archives by Infinity during or about October 2013 and March 2014.

7.2 From what I have been able to determine an agreement was reached with the relevant department of the SABC in terms of which Infinity would purchase from the SABC certain news archives. I am aware that an affidavit has been provided as to the nature of this agreement by Mr Sias Scott *inter alia* and in this regard I will deal no further with same since I have no direct knowledge as to the circumstances in terms of which this agreement was reached.

7.3 Considering the books and records in my control I have been able to determine the following:

HG

7.3.1 Infinity was issued invoices amounting to a total of R405 840.00 (including VAT) as appears from a schedule referring to the relevant invoices. A copy of the schedule as well as the relevant invoices is attached hereto as Annexure "**YB1**"; and

7.3.2 Infinity made payments to the SABC in the total of R405 840.00.

8. There are currently no monies due and payable to the SABC by Infinity.

9. From a diligent search of the records of the SABC I was able to determine that at no stage did the SABC make any payments of whatsoever nature to Infinity.

10. **TNA MEDIA (PTY) LTD**

10.1 From what I can deduce from the various books and records within the SABC, the SABC had a relationship with the New Age for the following purposes:

10.1.1 The New Age would supply newspapers on a weekly basis to the SABC; and

10.1.2 The SABC provided the New Age with certain broadcasting services and more particularly outside broadcasting services which were conducted at various venues across the country.

10.2 Similarly, I have been advised that an affidavit has already been provided to the Commission relating to the exact nature of the services rendered to and by the New Age and as such I will restrict myself only to the facts which are my own personal knowledge and relate particularly to payments made and/or received from the New Age.

10.3 From what I have been able to determine the SABC made payment to the New

Age for the delivery of newspapers and in the sum of R908 035.57 including VAT. I attach hereto as Annexure **"YB2"** a schedule containing detail of all payments made by the SABC to the New Age.

10.4 From what I have been able to determine the SABC was never paid nor did it invoice the New Age for any of the so-called *"breakfast shows"* and other outside broadcasting services which were rendered by the SABC to the New Age.

10.5 In this regard and from our internal records I have been able to determine that the costs incurred in these outside broadcasts and providing of the relevant services to the New Age, by the SABC amounted to approximately R4 268 887.00 excluding VAT. I attach hereto as annexure "YB3" a schedule of all costs associated with these outside broadcasts and as were recorded in the books and records of the SABC.

11. **OTHER COMMERCIAL CLIENTS**

11.1 I have been requested by the Commission to undertake a review into the records of the SABC relating to any transactions between other commercial clients who may have purchased news archives from the SABC.

11.2 As I understand it, the rationale behind this request is to demonstrate that although these transactions were common, that the pricing which was provided to Infinity was below the market rate.

11.3 I am aware that an affidavit has been provided by Mr Sias Scott in relation to a price guide and the application thereof in relation to the sale of news archives by the SABC and in this regard I will deal no further with same since I have no

MC

direct knowledge as to the circumstances in terms of which this agreement was reached.

11.4 In this regard, I was only required to provide financial records of commercial clients, identified following a diligent search of our financial records, to demonstrate the nature of the SABC's dealings with said entities.

11.5 These commercial clients include international news broadcasters e.g. Al Jazeera, ZDF German TV, Reuters Television, Associated Press TV etc. and may also include local broadcasters e.g. Globecast, Indelible Media, Electronic Media Networks (DSTV/Mnet) etc.

11.6 Said financial records are attached hereto is Annexure **"YB4"**.

12. This is all I wish to declare and accordingly reserve my rights to provide further documents to the Commission as and when they may become available or come into my possession and insofar as they may be relevant to the investigation.

DEPONENT

Signed and sworn before me at Bryanston this 21 day of MAY 2019 after the deponent declared that the deponent is familiar with the contents of this statement and regards the prescribed oath as binding on the deponent's conscience and has no objection against taking the said prescribed oath. There has been compliance with the requirements of the Regulations contained in Government Gazette R1258, dated 21 July 1972 (as amended).

Subject: FW: SABC Footage for Al Jazeera Program

Morning Sias

My name is Simon Boazman, work for Al Jazeera, I am just following up on the email below about use of footage that SABC supplied.

We used the following,

- **Press Conference at Durban Airport when Bruno Pellizzari and Debbie Calitz returned to SA. = 1min and 7.35 seconds**

- **Bruno's sister Vera Hect appealing for the release of the couple (2011) = 15.17 seconds**

- Total usage = 1min 22.52 seconds.

As per your earlier emails (below) we would like to clear these footage rights: all media, worldwide rights for 5 years. Based on your discussions below with Stacey can you please provide me the price for this footage, the 1min @ 2500 + the per second rate thereafter and a contract/invoice as well.

Many thanks and please do not hesitate to contact me if you have any questions.
Best
Simon

Subject: SABC Footage for Al Jazeera Program

Dear Sias,

I am assisting the Al Jazeera Investigates team in obtaining sourced footage for their program. They are interested in licensing at least 1:30 of material. This material would feature the Press Conference at Durban Airport when Bruno Pellizzari and Debbie Calitz returned to SA after being held hostage in Somalia (July 2012). Also, earlier clips of Bruno's sister Vera Hect appealing for the release of the couple (2011)

Since the team is interested in licensing at least 1:30 of footage, possibly more- would EUR 2500/minute (Rights: all media, worldwide rights for 5 years) with a per second rate after the first minute be agreeable? If so, I can forward you our license agreement for your review.

Thank You

Stacy

Ok,

Let's go for that. Will you do the license or should we? If you, by all means email it to me as soon as you like.

Best wishes

Jon,

We can do it for Euro 6000 in total for 1 Minute 19 seconds.

That is the best I can do.

Await your reply,

Regards,

Hi Sias,

Could we agree Euro 4000 for the first minute and Euro66.66 per second thereafter. I would struggle to go to euro8000 I am afraid but I can do Euro 5266.54 for the 1 minute 19 I need.

Look forward to sharing from you.

Good morning Sias (I hope I have your name spelt correctly)

We have just spoken.

As I said we are making a show with David Frost interviewing Archbishop Tutu. Through our own library, ITN etc etc we have already obtained the footage that we would like to include in the episode so there is no need for masters or anything but clearly I need to negotiate the rights with you.

Ideally I would like perpetuity, all media except theatric, unlimited play worldwide together with right to include clips in any promotion for the show, if that is all within my price range. Otherwise same rights but for 5 years.

Total duration in aggregate is 1 minute 19 secs

I am attaching a spreadsheet showing the footage we would like to use.

I look forward to hearing back rom you shortly.

Regards

Hi Siaas

Kan ons asseblief die proses aan die gang kry want ek moet so gou as moontlik die material kry om te begin edit. Kan jy asseblief vir ons die invoice aanstuur want dit neem 'n rukkie om te betaal hier by M-Net. Die faktuur moet asseblief uitgemaak word aan:

Electronic Network Media (Pty) Ltd.
P.O.Box 2963
Pinegowrie 2123
VAT No.: 4370103105

Stuur dit asseblief aan Nadene Booth (hier ge'cc)

Hoe werk julle dit uit rakende die material wat ons wegneem vs die material wat gebruik word?

Baie dankie

Dear Sias,

Following our conversation yesterday, i would like to request permission to transfer high res SABC archive footage for Plot for Peace. And as i mentioned would also like to have the Miracle tapes for Nkomati Accord(i had transferred it).

Additional tapes that i would also like to request.

1. News bulletins: prisoner's exchange - Tx 8/9/1987 English news

2. News bulletins : PW Botha resigns as president - Tx 14/8/1989

Please send me a quote for licensing rights: broadcast worldwide rights for 5 years

Please if have an hour available today, i'd gladly come through, as it's only a few clips that are required.

Thanks

Hi Sias,

I'd like to make a follow up on the conversation we had, regarding the SABC clips that were used on BBC programme. On requesting the clips from BBC, Ruth(from BBC, and ccd), and asked us that we need to get a permission letter from you(SABC), authorising them to release of the clips to add, and to use on Plot for Peace. And will add it them to the final declaration of SABC clips used.

I would appreciate if could give our humble request the priority and urgency as dictated by the current pressing circumstances. Please find attach the description and details of the clips as received from BBC.

Best regards

Nhlanhla Mthethwa

Bra Nhlanhla,

Please find attached final SABC archive request break-down. The total minutes come to: **02:46:18** minutes.

We are using this archive on the project: Tribute to the Front-Line States. The licence we need is SABC TV, two years deal.

Please let me know how soon I could go and pick up the tape.

John

Sias,

Many thanks for all your help on Sunday evening – it really got us out of a hole.

However, I must say that the audio on the Zuma speech was really bad. There was a heavy buzz on the audio that came from source. We asked Line Record to send the speech twice, to see whether the buzz was our fault, but each time it came through from source.

In the end we ran it, so we will pay for it, but suffice to say my lot in London we not all that happy.

Anyway, here is our shotlist and duration breakdown.

Cheers,

Ed

STORYLINE:

South African police said on Monday they had shot and arrested a suspected armed robber who had fled toward parliament in Cape Town, a violent reminder of the country's high crime rate in the days leading up to the World Cup.

A police spokesman said officers tried to stop two men they thought were behaving suspiciously.

The men fled, and one was quickly caught and found to be carrying a handgun.

The second man ran into a Parliament parking lot and pointed a gun at officers.

Officers shot him when he refused to drop the gun, wounding him in the right leg.

The spokesman said police believed the two had robbed a nearby store earlier in the day.

With crime rates high, security has been tight in the lead-up to Africa's first World Cup.

Sias,

Please find below a copy of our Mandela Day shotlist from yesterday, detailing the SABC footage we used and the duration thereof.

We only used the Zuma speech from Mvezo because we were unable to verify whether the Mandela message was from this year or last.

In total, we used 109 seconds of SABC material in our package, which at $6/second, works out at $654. Please send us the relevant invoice.

Finally, I have checked our uppick contract and you are right, the deal did expire as of July 1, 2010. Time, therefore, to meet up and hammer out a new deal, no? I am off on leave as of Friday, July 23, so would very much like to get this sorted before I go. Let me know when you are available this week and we can meet up at our usual spot.

All the best and many thanks for your help yesterday.

STORYLINE:

Surrounded by members of his family, Nelson Mandela celebrated his 92nd birthday on Sunday at his home in Johannesburg.

Seated in a big arm chair with grandchildren and great-grandchildren all around him, a multi-tiered cake was brought into the room and candles were lit.

All his surrounding family then sang "Happy Birthday" to their "granddad."

Mandela's birthday celebrations also mark the second annual Mandela Day and the first International Mandela Day, as recognized by the United Nations.

The aim of the day is for people to give 67 minutes of their time, carrying out community-based work and helping others less fortunate than themselves.

67 minutes represent the 67 years Mandela was involved in national and international politics.

Away from Johannesburg, South African President Jacob Zuma led official Mandela Day celebrations in the rural village of Mvezo, in the country's Eastern Cape.

Speaking to local dignitaries and well wishers, Zuma wished Mandela a happy birthday and called him a "true humanitarian."

"Tata Madiba, like President Oliver Tambo, Inkosi Albert Luthuli and many of their peers were internationalists. It is not surprising that today we honour him jointly with the world. The 67 years of active contribution for a better South Africa has been recognized by the United Nations and is being celebrated as Nelson Mandela Day for the first time this year," said Zuma.

The village of Mvezo is the birthplace of Mandela.

Subject: APTN uppick of Tutu lecture

Sias,

Firstly, very good to have seen you on Saturday and thank you, once again, for breaking into your weekend to come and sign out the Tutu lecture uppick for APTN.

We are of course happy to pay the $100 technical charge for accessing the material, so please go ahead and invoice me in the usual way.

I must also apologize for not being in touch for so long. I have been running our operation in Libya for the past 2 months, and have only just got back to South Africa. Therefore I think we are long overdue a proper catch up – maybe over a lunch if you are free and willing to join me? I am around all this week and want to make this a priority, so as soon as you can see space in your diary, let me know and we can meet up.

All the best and, again, many thanks for Saturday's uppick.

1. Wide of train accident, with mangled truck in foreground
2. Close detail of damaged truck
3. Wide accident scene with train on the tracks and an emergency worker placing a sheet over the dead
4. Close sheet being placed over a dead person
5. Wide accident scene

7. SOUNDBITE (English) Vusi Shongwe, local emergency services:
"It's a very terrible accident. As a department of community safety, security liaising in the province, we are in a state of shock."
8. Wide emergency workers stretchering bodies

STORYLINE:

A freight train collided with a truck carrying farm workers at a crossing in eastern South Africa Friday, killing at least 19 people and leaving bodies strewn across the scene of the accident.

At least two dozen people were injured in the accident in Mpumalanga, an eastern province in South Africa.

A final death toll is yet to be established.

Authorities say that the owner of the truck is currently being questioned by the police.

Traffic accidents with high death tolls are common in South Africa, and often are blamed on negligent drivers and badly maintained roads.

In 2010, a man driving 14 children to school evaded barriers at a crossing near Cape Town and a train crashed into it, killing 10 of his young passengers. The driver was convicted of murder in the deaths of the students and attempted murder in the case of the four surviving children. He was sentenced to 20 years in prison. Transportation officials hailed the tough charges and sentence, saying that could help deter reckless driving.

Kristina,

I am being asked by internal audit why should I always go back to client to find out what got used? This is creating a huge problem by serving your company. ZDF is the only broadcaster not replying or advising within 24 hours what happened to the footage.

Await your reply,

Regards,
